COMMONWEALTH HOME SUPPORT PROGRAM

BlueCross provides HomeCare services funded through the Commonwealth Home Support Program (CHSP). The program provides home support for older people who need assistance to keep living independently at home and in their community.

There are a range of services available to help you get through the day, depending on your needs, you may be entitled to receive:

- Domestic Assistance in your home for house chores and cleaning
- Personal Care - showering, dressing, getting ready for your day and escorted shopping
- Respite in your own home

To access these services you will need to contact My Aged Care for an assessment. After your assessment, ask the assessor to send your referral to BlueCross who will then contact you to arrange your services.

The CHSP supports people who are:

- Aged 65 years or older
- Still living at home
- In need of help at home to continue living independently
- Or 50 years or older and identifying as an Aboriginal and Torres Strait Islander person

There is a small co-payment of \$5.00 if you receive a pension and \$7.50 for self-funded retirees.
